## Guide to specifying Magnetic Track lighting:

The Magnetic Track is supplied in 1 metre sections. The track can be continuously joined to create lengths up to 4 metres, per 200W driver. Lead times are 1 week if in stock, if stock is required to be ordered please allow 7-10 weeks.

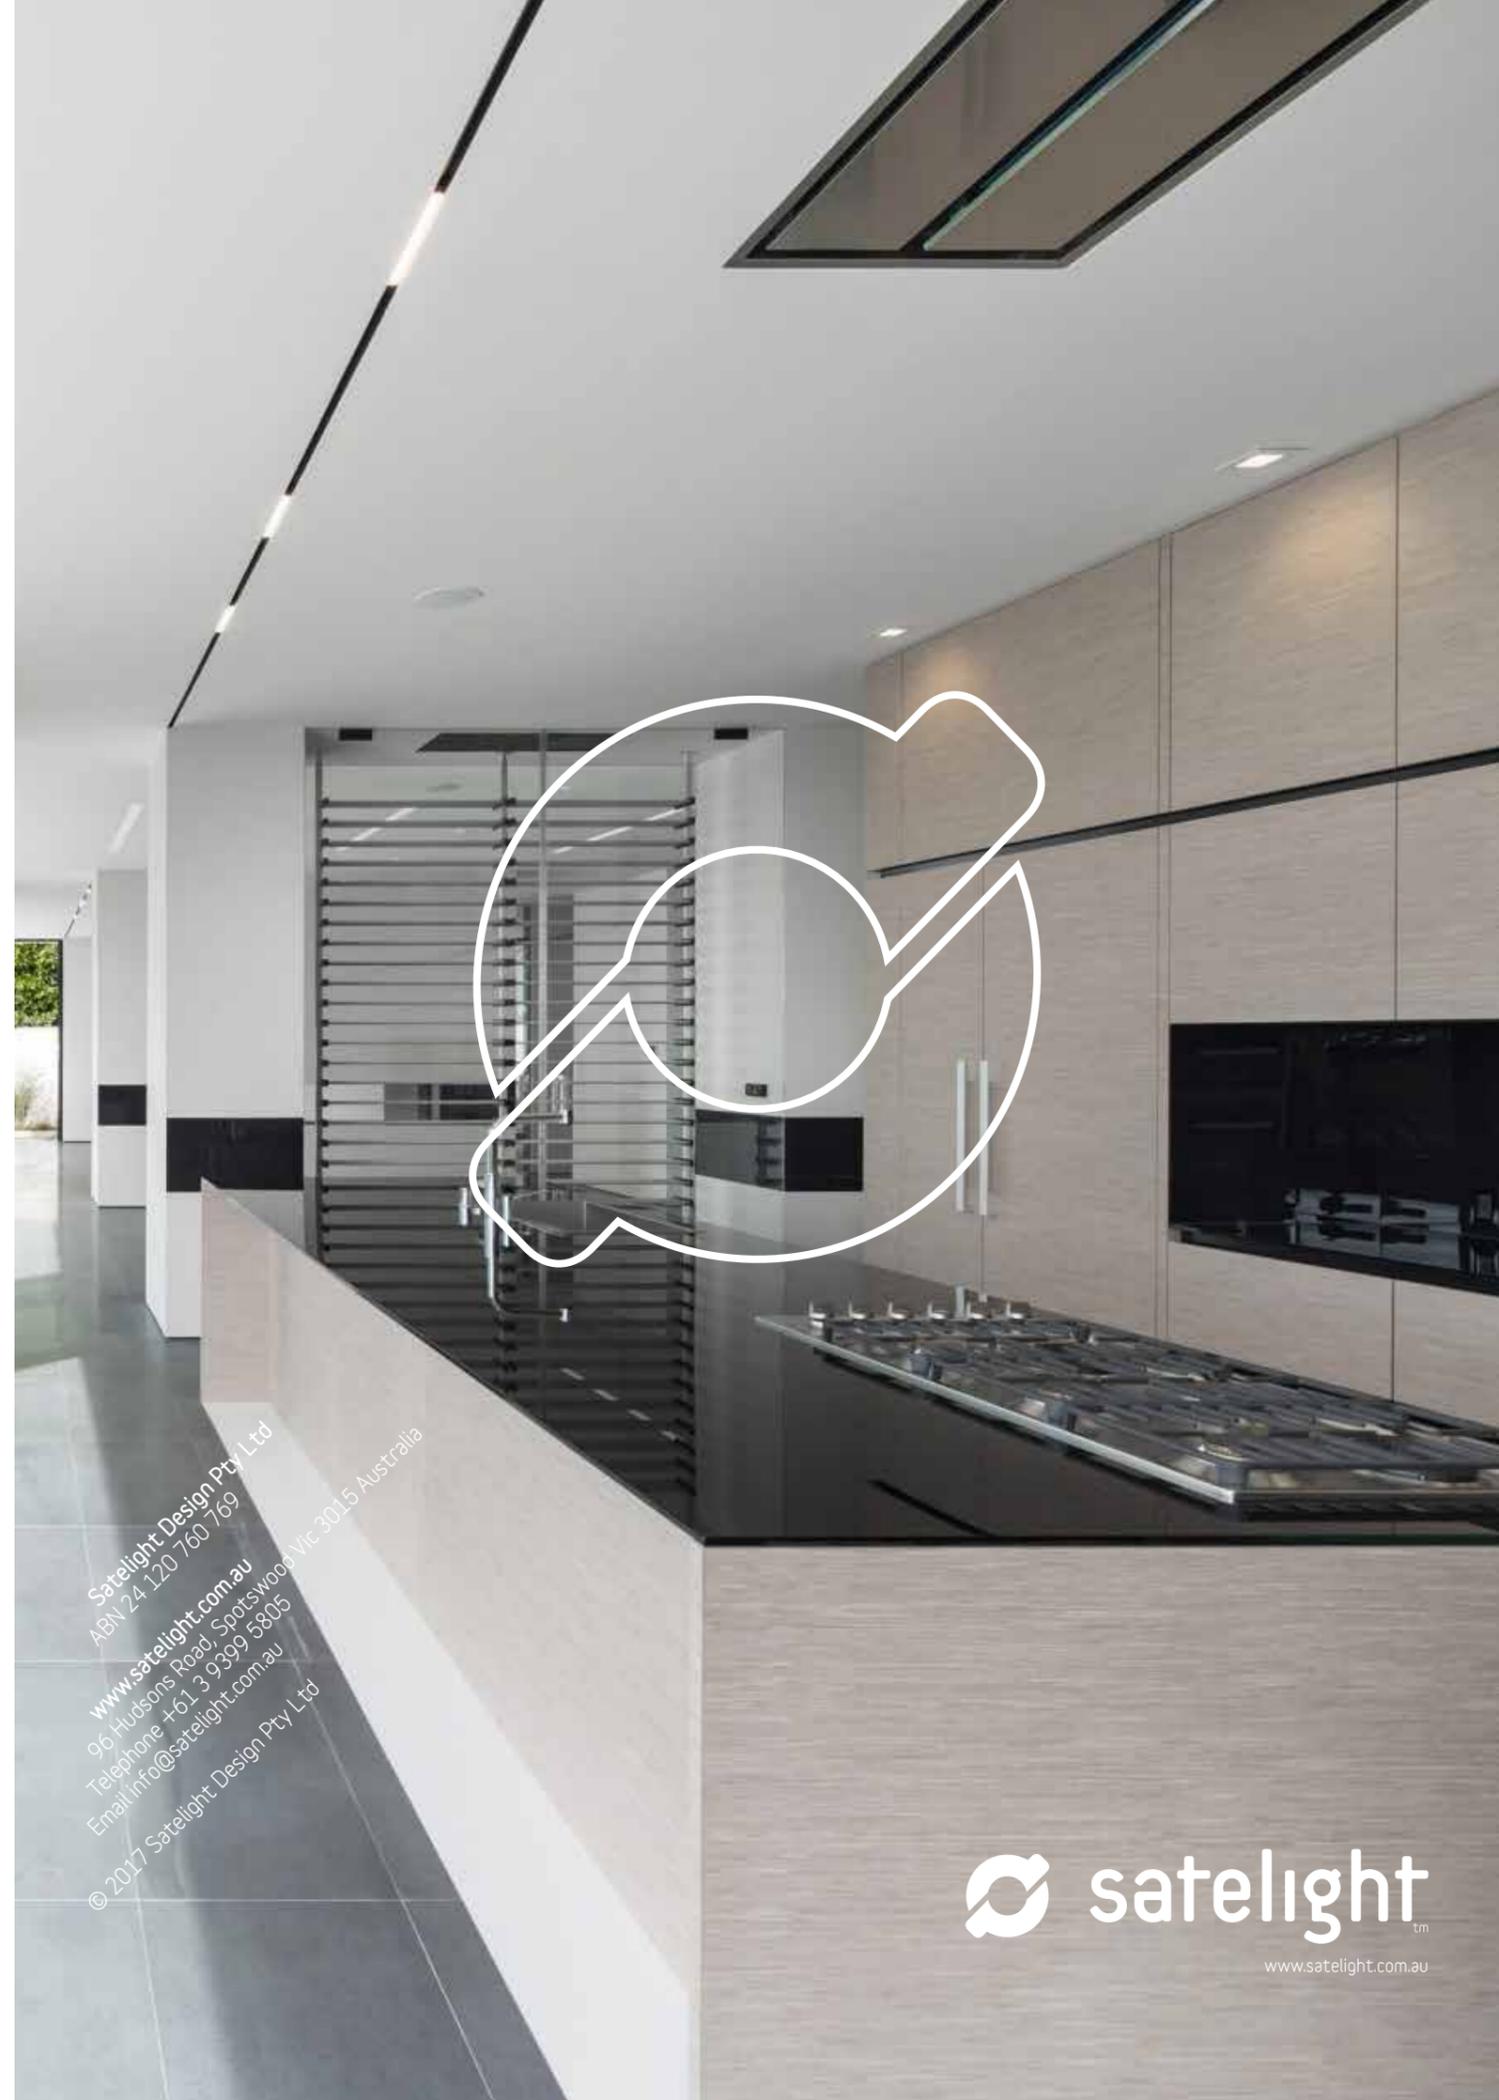

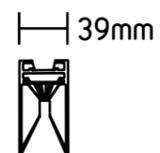

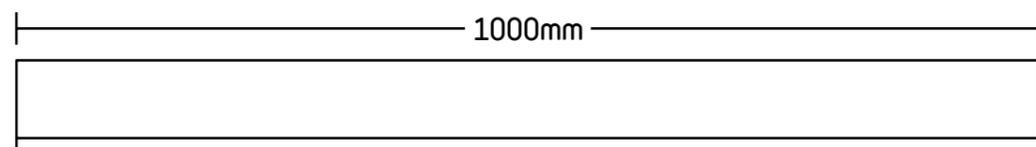

The below diagram shows how the different fittings fit into a 1 metre section of Magnetic Track by breaking down the track into 6 even blocks:

## Magnetic Track lengths:

The Magnetic Track is supplied with drivers suitable for the amount of specified fittings. When specifying, it is best to allow for up to 50W per metre of track. The Magnetic Track can be Surface Mounted or Suspended.
